Agreement between the Boards of the Williamsburg Settlement Maintenance Association and the Settlement Swim Team

Williamsburg Settlement Maintenance Association (WSMA) welcomes the use of Association recreation facilities by Swim Team members, some of whom may not be Settlement residents. As Association facilities are funded by residents' maintenance fees it is WSMA policy that the families of resident swimmers must be fully paid-up members of the Association, i.e. they have no outstanding balance on their maintenance fees or other charges that they may have been assessed, and non-resident swimmers pay a fee to the Association for use of its facilities. The purpose of this fee is to allow the Swim Team to increase its competitiveness by recruiting members from a wider area while at the same time compensating Settlement residents for use of the amenities which they are obliged to fund via their annual maintenance fees.

This document, signed below by both the WSMA and Swim Team Board Presidents, defines the agreement and procedure governing these two issues and will remain in effect until revoked or amended by mutual consent and the amended document re-signed by both parties.

This agreement is as follows:

1. During registration the Swim Team will display a sign informing potential swim team participants who are Settlement residents that they must first have obtained their pool tags giving them access to the Association pool. Tags are only issued to residents who are in good standing.
2. After each of the two registration days the Swim Team will give the WSMA Board the current roster documenting Swim Team applicants and their parents' names, addresses and contact information. Changes to this list will be emailed to the WSMA Board each Friday throughout the season.
3. WSMA will check the roster to confirm that all swimmers who reside in the Settlement are indeed eligible to participate and so notify the Swim Team. The Swim Team will also be notified if any swimmer is ineligible.
4. At the end of June each year the Swim Team will give WSMA a check for the non-resident swimmers fees. In 2011 this will be \$20 per family. From 2012 until further notice it will be \$20 per family plus \$5 per each additional sibling as long as the league meets are not held in the Settlement.

The above provisions are hereby agreed:
